**HP**

## **HP3-C29**

*HP LaserJet Enterprise M4555 MFP*

**QUESTION: 21**

What does it mean when a <Supply> Very Low message appears on the device control panel?

- A. The user must replace the specified supply.
- B. The specified supply has reached the estimated end of life.
- C. The specified supply is at or below 20% capacity.
- D. The device will not accept any new print jobs until the specified supply is replaced.

**Answer: C**

**QUESTION: 22**

You have powered on the HP LaserJet Enterprise M4555 MFP after replacing the encrypted hard drive, but the product will not boot up to a Ready state What is the first thing you should do?

- A. Replace the encrypted hard drive again
- B. Run a Cold Reset from the pre-boot menu
- C. Remove and replace the formatter board
- D. Verify that the latest firmware has been downloaded on the replacement hard drive

**Answer: D**

**QUESTION: 23**

A customer complains that copy jobs using the ADF have lines on the output, but copy jobs from the flatbed look fine. What is the most likely reason this is occurring?

- A. The ADF rollers are not rotating at a consistent speed
- B. One or more of the LEDs used for ADF copying have stopped working.
- C. The scanner is not in the correct location for ADF scanning.
- D. A small amount of dirt or a smudge is on the ADF glass.

**Answer: D**

**QUESTION: 24**

Why should a used ICB never be installed in another engine?

- A. Each ICB contains device-specific data which would corrupt critical saved values in another engine.
- B. The ICB is hard-keyed to the device it is installed on, and attempting to install it in another engine could damage the engine or ICB.
- C. The ICB installs an encrypted key on the formatter. Replacing the ICB corrupts the formatter key, necessitating a formatter replacement.
- D. There is a risk that the low-voltage power supply would burn up a replacement ICB.

**Answer:** A

**QUESTION:** 25

How many external USB host ports does the HP LaserJet Enterprise M4555 MFP have?

- A. 0
- B. 1
- C. 2
- D. 3

**Answer:** D
